PK24 TO THE RESCUE!

By Laura Anne Rega

WHAT IS IT: An anti-aging vaginal rejuvenation cream formed from a proprietary blend of plant extracts.

HOW IT WORKS: This product is an all-natural cream used by ladies to tighten vaginal walls (allowing for extra friction) for about 24 hours to enhance sexual experience. Reports show that women in the clinical studies have sooner and more frequent orgasmic responses while using this product.

WHY IT WORKS: By tightening your vaginal walls to heighten sexual experience.

WHO CREATED IT: Founder Terralyn Hoy was determined to help couples regain their sexual flame after overhearing a group of men talk about the negative effects that vaginal relaxation had on their sex lives.

WHO USES IT: Research shows that an estimated 30 million American women suffer from the symptoms of vaginal relaxation as a result of childbirth, aging or poor muscle tone. These are just a few of the women that will benefit from this unique product.

WHAT DOES IT COST: \$59.95 for one ounce. Buy two ounces, get one free.

WHERE TO BUY IT: Online by visiting www.pk24.com.
